

LOCKER

Anyone entering the Lawson Centre for Sustainability will glimpse our new student lockers, located in the main corridor near the Welcome Desk. Your gift of a locker will provide off-campus students with a convenient space all their own—right on campus.

\$1,500

Monthly installments available

TREE

Trees not only clean the air and beautify the campus, they are also proven to reduce stress. Selected by Trinity's own students and faculty to maximize biodiversity, each tree at the Lawson Centre for Sustainability will benefit local ecosystems and provide students with peace of mind—even during midterm season!

ORNAMENTAL TREE

\$5,000

Monthly and annual installments available

LARGE TREE

\$7,500

Monthly and annual installments available

BENCH

Our close-knit community sets Trinity apart. Your gift of a garden bench, nestled among the greenery outside the Lawson Centre for Sustainability, will offer students and faculty a space to gather, enjoy conversation over a cup of coffee, or savour a moment of rest amid a busy day of learning.

\$10,000

Monthly and annual installments available

RESIDENCE ROOM

Living in residence allows students to immerse themselves in the full Trinity experience. With the Lawson Centre for Sustainability 80% more students can make their home-away-from-home at Trinity. Supporting a residence room gives the gift of belonging to every student who calls it home for years to come.

\$25,000

Monthly and annual installments available
